

SHRINERS HAPPENINGS

MEMBERSHIP REQUEST

Greetings!

We trust that you continue to enjoy your journey in the Shrine family and all of the aspects of Freemasonry. It is that time of year when we renew our commitment to the fraternity through our annual dues. We cultivate efforts to improve our lives and those around us through activities in our Shrine and Masonic families supporting charitable projects that benefit children, living up to our Masonic and Shrine obligations.

If you have already paid your dues, we greatly appreciate your ongoing commitment. If you haven't paid your dues, this is a friendly reminder that your Shrine dues can be submitted to El Hasa Shrine. If you are experiencing financial difficulties, health problems or other issues, we might be able to assist you. I encourage you to act today, if possible, to avoid overlooking this important request.

I sincerely hope you will renew your membership today or least contact me or another officer of El Hasa Shriners to explain your situation. Perhaps your check is already in the mail and we haven't received it yet. If so please disregard this request and accept our sincere thanks for continuing commitment to the Shrine

If you move or have a change of address or a change in your email address, please notify JJ or me at the El Hasa Shrine so we can maintain a current up to date directory of the El Hasa membership. Your help and cooperation with this matter will greatly enhance our communication efforts with you in the future.

We along with our El Hasa Shrine officers appreciate your Shrine membership, fraternal friendship and continued support. If you have any questions, special circumstances we should know about or desire any assistance in the future, please don't hesitate to contact us. We extend our sincere best wishes to you and yours for continued success in the future!

Fraternally,

El Hasa Shrine

A PONDERING THOUGHT OF THANKFUL THOUGHTS ...

Although Thanksgiving comes but once a year, every day should be a day of Thanks. Choosing to be thankful requires the art and action of gratitude.

Who do you thank every day? We thank our colleagues, and our friends. We offer gratitude for our family and the people who support us every day on our journey.

The one person we need to thank is our self.

For the struggles and challenges—and the lessons they have brought.

For my failures and missteps-and the humility they have given me.

For my successes and accomplishments-and how they have increased my confidence.

No matter what is going on in our lives, there is always something to be grateful for in the moment. Gratitude helps us to see what is there instead of what is not.

Your challenge as we approach the Thanksgiving holiday is to write down at least 5: people, things, situations, blessings, experiences, challenges you are grateful for in your life.

Remember to be grateful for yourself and have a safe and healthy Thanksgiving!
